

The Chinook

WEST SEATTLE HIGH SCHOOL

The Chinook is a student-run newspaper that provides news and commentary on issues relevant to the Westside community. Subscribing is a great way to support student journalism and keep up-to-date with current news at West Seattle High School. In addition to the news, *The Chinook* offers an in-depth look at the student body with editorials, arts and entertainment, and sports. Our budget is dependent on your contributions, as your generous donations help us produce on a monthly schedule.

The Chinook offers four levels of subscription, so please choose the level that suits you best. All levels will receive *The Chinook* by mail or an emailed link depending on your preference, while those who subscribe at the Friend, Patron, or Benefactor level will have their name or the name of their business printed in each issue.

Thank you for supporting *The Chinook*! Your contribution is greatly appreciated.
